Retention Start Date: 2026-01-01
Retention Expiry Date: 2033-01-01
Legal Hold Active Status: false (No Active Litigation)
Mandated Disposal Action: PERMANENT_DELETE
Compliance Officer ID: USR-COMP-9912

Tri-Partite Source of Truth & Architectural Authority Invariants

- Content Authority: Stored in S3 WORM Object Storage with immutable binary versioning.
- Metadata Authority: Full JSON payload attached directly as S3 Object Annotation (`document-metadata`).
- Control Plane: DynamoDB single-table enforces active version pointers and optimistic concurrency control.
